**A once in a lifetime holiday in this villa...**

---

Our villa is fantastic: big and modern with direct access to a beautiful private beach. It is located in a quiet residential area. The house has a magnificent sea view on the Caribbean in the front and, behind, there is a wonderful tropical garden. The villa can accommodate twelve guests in six bedrooms each with an ensuite bathroom. This impressive home has every possible luxury including a large swimming pool next to the terrace, air conditioning, a flat screen TV and Wi-Fi in every room, a very large living room with a snooker table, a very big fully equipped kitchen, a fitness room, a spa/Jacuzzi. On the right of the terrace there is an outside eating area with a barbecue. The villa is 10 minutes away from a lovely and picturesque village with a church and a fountain, shops, a post office and a museum. For more information please call...
