

FÀILTE GU ALBA!

Welcome to Scotland !

Scotland is located in the North of the United Kingdom and has so many beautiful landscapes. It is a land full of legends but the friendliness of its people, the Scots, is real.

Scotland has a very strong culture and has many traditions like the tartan kilt, the highland bagpipes, many famous pipe bands, the Highland Games and of course its fast changing weather. The Scots are very proud of their heritage, culture, traditions and language.

The landscapes are amazing and nature is intact in most places. There are many fresh water lochs (lakes) and magnificent mountains and rivers. Popular places to visit are Edinburgh its capital city, St Andrews the birthplace of golf, Glasgow the largest city in Scotland, Loch Ness and its monster, Oban a typical fishing harbour and Hebrides Islands for their intact nature.
