

Talented Boy Joins the Rugby Club!

With the beginning of the school year comes the opening of the school clubs. This year the Rugby Club welcomes a new recruit. His name is Jude. He is 5 feet tall. He is thirteen. "I practise rugby three times a week. I go to the swimming pool every day after school and go running every other day," Jude says. Last year he played for Chaucer School and they won the school championship. "I remember scoring more than twenty five points in a game. It was great!" The new rugby team will play against St Anselm's next Sunday. Fingers crossed!
